

MAY 2023

# DRY ROT

## Membership Renewals

April was a very busy month for renewals.

If your membership expired the end of April and you are having problems renewing contact the Membership Officer Glen Carruthers.

905-929-8127 or [g.carruthers@regers.com](mailto:g.carruthers@regers.com)

## Flare Disposal

Transport Canada is not funding the Flare Collection Programme this year. If you have out dated flares store them safely until we hear of a collection process.

Note that a flare costs in the order of \$3.00 to recycle and that is what TC was financing.

## Response from Prescott Coast Guard on \*16 for cell phones

\*16 remains a viable method of contacting the Prescott Marine and Communications and Traffic Services (MCTS) Centre to report a marine emergency.

Be advised that not all cellular telephone companies provide this service. Please inquire with your cell phone service provider to determine whether \*16 is a service available to you.

Regards,

220348UTC/SD

**Prescott MCTS Centre**

## **Need a new flag for the 2023 boating season?**

Contact Marney Warby @ 905-389-5719
